The homeland of the children of **Wijun**, a world of verdant forests and nature abundant attended to by the powers of the other Elohim as an experimental paradise world.

## Relation with The World

This is a world that crossed over with **The World** during the Conjunction of the Spheres which led to the crossing of the Anterions, Dyrians and the curse of Therianthropy to pass onto The World.

Vrans and Werebbubbs originated from this world but traveled through the Spiral to arrive on The World before the knowledge and ability to easily travel through the Spiral was lost to the lesser races stranding them there.
